

# A Step-By-Step Guide on How to Participate

Thank you for participating in the Hope Challenge! We are looking to have some fun, while at the same time providing support for our scholars and programs. It's easy to participate and the goal is to get your friends, family, and network to take part as well.

**STEP 1:** Grab your cell phone or tablet

**STEP 2:** Have a partner that can take a video for you? Or maybe you have a tripod and can do it yourself – perfect! Either works.

**STEP 3:** Grab your favorite club (and a golf ball)

**STEP 4:** Pick a spot where you think you'll want to try and make a great golf shot. It can be as simple or unique as you'd like! It really doesn't matter. Most important, just have some fun!

**STEP 5:** Make a donation of any denomination to Boys Hope Girls Hope ([www.HopeChallenge.org](http://www.HopeChallenge.org)).

**STEP 6:** While on video, here's what you'll say (it's simple):

*Hi all, this is me doing my Hope Challenge shot. I've just donated to Boys Hope Girls Hope, and after my shot I'm challenging (X person's name) and (Y person's name) to do the same. (Now do your shot on camera.... you'll either get it in the hole/cup/bowl/bucket or you won't, it doesn't matter, you're just having fun)!*

*End with something like: C'mon X and Y, it's your turn!*

**STEP 7:** Now you're going to want to post that video to your social media profiles (all or any that you prefer).

**Type this copy in as your post:** *This is my Hope Challenge shot. I've made a donation to Boys Hope Girls Hope at [www.HopeChallenge.org](http://www.HopeChallenge.org) and I'm challenging X Person and Y Person (remember to tag both) to make their shot. #HopeChallenge #BHGH #BHGHC0*

**...and FINALLY hit POST!** The goal is for this to go viral, so the more people you invite to do it the better the challenge and the more money we'll raise! Thanks for your support!
