

To Whom It May Concern:

My name is Angie Hager and I am emailing you on behalf of Boys Hope Girls Hope upcoming charity golf tournament, 2024 Hope Challenge, taking place Monday, June 10, 2024 at Colorado Golf Club. The event benefits first-generation and/or low-income students in Colorado and I would like to speak with you about a donation for our tournament.

Boys Hope Girls Hope is a non-profit organization committed to empowering youth facing barriers such as family illness, trauma, neighborhood violence, or poverty. We believe that ongoing academic and personal support, along with character development opportunities are the most powerful tools we can use to transform the lives of children in need. Through our two educational programs, we provide a continuum of care. **The Academy Program** connects with motivated high school scholars four to five times a week, offering college-preparatory support, life skills, scholarships, and access to internships. Our high school scholars attend Aurora Central High School or Regis Jesuit. **The College Program** tracks collegians through the post-secondary journey into the launch of their career.

Here are some of our recent achievements:

- Our 18 high school graduates of 2023 were accepted into over 75 colleges and universities.
- The Class of 2023 was awarded \$2.2 million in merit and need-based scholarships.
- We currently serve 73 high school scholars at our Academies in Aurora, and 54 collegians at colleges and universities across the country.

We are seeking a donation for a foursome on your golf course to be used in our silent auction. With this donation, your golf course will receive brand recognition and/or course listing in our tournament program. Money raised during our silent auction will directly support our scholars, their school activities, books, transportation, meals, and the team members who work daily, making sure these students are successful.

Together, we can make a significant impact on the lives of our young people who have a vision for themselves. Thanks to organizations like yours, our scholars' dreams can become a reality. We appreciate your consideration and look forward to hearing from you.

Warm Regards,
Angie Hager, Events and Communications Manager
