

Young Professional Board Application

Our mission is to nurture and guide motivated young people in need to become well-educated, career-ready men and women for others.

The BHGHCO Young Professionals Board is a great way to not only meet new people and network with others in the Denver Metro area, but also serve your community and our scholars and collegians. Make an impact! As a BHGHCO Young Professional, you will:

- Serve on the committee that puts on the annual Shaken, Not Stirred Martini Party. We meet once a month via a Zoom/Teams call and discuss the various aspects of the event and future planning for the month.
- Speak at one of our monthly career panels. Share your career journey with Boys Hope Girls Hope scholars.
- Attend a service activity with our scholars! Every month our scholars volunteer and do service work. We provide the opportunities available monthly and you let us know when you'd like to join!
- Volunteer in other capacities, as needed and available.
